

Northgate Retail Partners

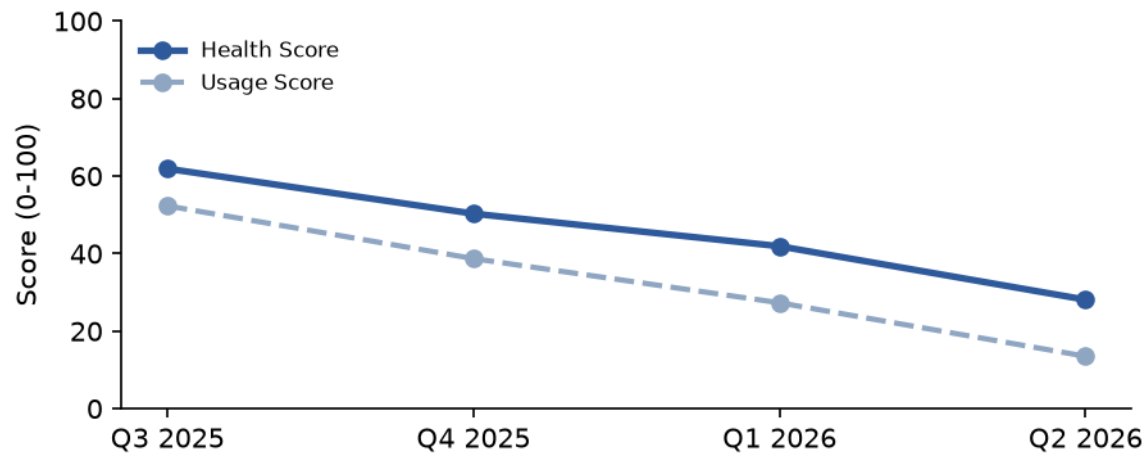

Quarterly Business Review | Q2 2026 | CSM: Melissa McGowan

ARR	Segment	Health Score	Health Band	Renewal In
\$52,000	Mid-Market	28 / 100	Critical	30 days

Executive Summary

Northgate Retail Partners requires immediate attention. Health score has dropped 34 points over the last four quarters, moving the account into the Critical band. This QBR should focus on a recovery plan, not a standard business review.

Health & Usage Trend (Trailing 4 Quarters)

Wins

- ✓ Integrated our platform into their core workflow (Salesforce sync live)

Risks

- Two P1 support escalations in the last 60 days
- Primary champion departed the company in the last quarter
- Usage concentrated in a shrinking subset of the licensed seats

Recommended Next Step

Escalate to a save-play: schedule an executive-to-executive call within 2 weeks, and involve your manager before the renewal conversation. Renewal is in 30 days -- treat this as time-sensitive.
